

PRESS RELEASE

The attention of the Board of directors and management has been drawn to the recent Bank statement issue on Governor Nathif Jama, which was published on the social media and was purported to have originated from the Bank.

FCB in keeping with its core principal of ethical business practices would like to categorically state that the Bank statement that has been put on social is not true.

Added to this, the Bank being a regulated institution, understands and implements client confidentiality to the highest standards. In this regard, FCB will fully cooperate and provide all the necessary documentation requested by the CEO of the EACC on Tuesday 4 July 2017.

The Board and Management of FCB wishes to assure all our clients that their information is safe and that we treat all customer data with the strictest of confidence.

Fazal. M. Saib

CEO, FCB
